Ashby statutes will begin later this week and this is a really big tradition for Ashby and the surrounding areas. We want you to enjoy these safely so we are going to give a few reminders

Do:

- Make sure you have a charged phone with you
- Stay together with your friends
- If you need any help ask someone you can trust – police officer, steward, security guard
- Agree a time to be home and contact home if you will be late
- Mind your valuables and be careful about them being visible
- Make sure that you have organised a safe way to get home
- Walk home by a route that is lit
