EXCITING APPRENTICESHIP OPPORTUNITIES WITH LINDE - APPRENTICE ENGINEER PROGRAMME 2026

Linde have partnered with SMB College to deliver the 3-year Lift Truck and Powered Access Engineering Technician Apprenticeship (Level 3).

Over the three years, apprentices spend a target 24 weeks in training (excluding end point assessment) at SMB College in Leicester. This training is arranged into two-week blocks, Monday to Friday. Applicants must be willing and able to travel to complete their college study.

Progression routes could include qualified engineer, technical or specialist roles.

Practical Training

Training is made up of on-the-job and off-the-job training.

80% of the apprenticeship will be spent working with your employer.

20% of the time will be allocated to off-the-job training: this will be a mixture of college blocks, internal training, assignments and revision.
